

Summing up Month 6.

Month 6 threw up plenty of new concepts. You would by now know:

- The Lotlakaar forms of the A.P., P.P. and the Kru. Dhatu.
- That the Kru. Dhatu is a real life saver and you can honestly relax on the verb memorizing front.
- That life becomes more interesting if one has a past. (Oh, dear... do excuse me... i mean, if you know the past tense.)
- That the tumants simplify sentence structures enormously.
- that the Ravis, the Haris and the Nidhis are pretty thrilled now that they know how to decline themselves.

Eureka! Now we know enough to begin writing simple letters to one another in Sanskrit!

So how about sending me one, hmmm?
