With Blessings of H.H. Shrīmat Sadyojāt Shaṅkarāshram Swāmījī, Gīrvāṅapratishthā, the Sanskrit wing of Shrī Chitrāpur Math, plans to start the Prabodhaḥ Ārādhana - online certificate course for those who wish to pursue Sanskrit studies through the virtual platform. This certificate course is designed for students to understand concepts of Sanskrit grammar and usage both in written and spoken Sanskrit with regular assessments and tests.

This online course will be open to all those eager to learn Sanskrit but don't have easy access to our Gīrvāṅapratishthā teachers. This will give the sādhaḥ-s living overseas also an opportunity to learn the Devabhāṣhā from experienced Gīrvāṅapratishthā teachers through this interactive platform.

If you are interested, please write to [prabodhah@chitrapurmath.net.in](mailto:prabodhah@chitrapurmath.net.in) and the team will send the registration form to be duly filled by the prospective student to complete the registration process.

Registrations open till 10th December 2020 for the first 50 applicants
